

Strasburg Township has a contract with the SPCA to handle lost dogs. If you find a dog, contact the State Police at 717-299-7650 or the State Dog Warden 717-805-3442 to collect it. If you have lost a dog, contact the SPCA 717-917-6979 to ask if it has been found.

The Humane League has a lost and found posting area, where anyone can post information about a lost or found pet. The Humane League has a listing of suggestions for other ways to spread the information about a missing pet. In addition, they will scan any found animal for a microchip and give the owner contact information to the finder at no cost regardless of where the pet was found.
