**Strasburg Township Planning Commission**  
**July 14, 2025**

The Strasburg Township Planning Commission (PC) held their regular meeting on Monday, July 14, 2025, at 7:00 p.m. at the Strasburg Township Municipal Building. Present were John Fisher, Terry Smith, Austin Good and alternate Judith Willig.

Guests: Merv Breckbill

The meeting was called to order at 7:00 p.m.

Public comment was invited. There was none.

On a motion by Smith/Good, the PC voted unanimously to approve the minutes of June 9, 2025 as submitted.

CU2025-01, Wall to Wall Floor Covering was reviewed. Breckbill provided the following:

- An update to the façade is proposed
- An existing porch at the south end of the building will be extended along the entire front
- A concrete walkway will take the place of existing plantings along the base
- Shingles will be replaced with a metal roof
- No change to the existing stone is proposed
- The single-story design of the 1960's-70's era building precludes major façade changes more in keeping with the design guidelines

On a motion by Good/Smith, the PC voted unanimously to forward the plan to the Supervisors with a recommendation to approve.

There being no further business before the PC, the meeting adjourned at 7:15 p.m.
