- A. It shall be unlawful for any person or persons either directly or indirectly to kindle or maintain any fire or authorize or permit any fire to be kindled or maintained on any public road, street, alley, sidewalk within the Township. Contained fires for cooking and campfires may be maintained upon park or recreation land owned by the Township, where the Township has designated an area for this purpose and an appropriate enclosure has been provided to contain such fire, and if supervised by a responsible adult and if all other requirements of this Ordinance are met. Nothing in this section shall prevent any employee and/or agent of the Township from burning trash upon public ground when such burning is in furtherance of any municipal purpose such as maintaining clean and trash-free public grounds.
- B. No person shall set, start, feed, permit to burn or maintain any fire within an unsafe distance, and no less than 20 feet from any building, structure, roadway or property line. Cooking grills and pleasure fireproof containers may be permitted, when safe, to be within 20 feet of a building or structure.
- C. No fire shall be set, started, fed, permitted to burn or maintained where such fire may endanger any building or property, except where such building or property is used by a volunteer fire department serving the Township for training purposes.

- D. No fire shall be set, started, fed, permitted to burn or maintained where such fire, smoke and/or by-products may interfere with the navigation of aircraft, or the safe travel upon any roadway or sidewalk.
- E. No fire shall be set, started, fed, permitted to burn, or be maintained between sunset and sunrise, with the exception of cooking, recreational or ceremonial fires.

Section 5. Control of Burning and Unattended Fires.

- A. No fire shall be allowed to burn without a responsible adult being present at all times and without readily available fire extinguishing apparatus, such as a water hose. Sand or dirt may also be considered with shovels and rakes on hand.
- B. No fire shall be permitted to burn whenever drought or extreme weather conditions exist or when a ban on burning has been placed into effect by the Commonwealth of Pennsylvania, or other competent governmental body. The Board of Supervisors may prohibit any and/or all outdoor fires when atmospheric conditions or local circumstances make such fires hazardous.
- C. No fire shall be set that results in the uncontrolled burning of vegetation or property.
- D. All fires shall be confined in a noncombustible container, covered with a wire screen or mesh of no greater than one-half-inch openings, or a perimeter enclosure with the exception of leaf, brush, recreational, ceremonial or cooking fires.

Section 6. Unlawful Substances. It shall be unlawful to set, start, feed, permit or maintain any fire containing construction debris, plastics, rubber, manufacturing or commercial by-products or wastes, any hazardous substance as defined by the Commonwealth of Pennsylvania or any other competent governmental body, or any substance that is not readily combustible.

Section 7. Extinguishing Unsafe Fires. It is a violation of this Ordinance for any person to allow any fire to burn under adverse weather conditions or during any time a burning ban declared by the Board of Supervisors, County of Lancaster or Commonwealth agency is in effect or unsupervised or otherwise in an unsafe manner or as an uncontrolled fire. Any person on a property where a fire is burning under adverse weather conditions, unsupervised or otherwise in an unsafe manner as an uncontrolled fire or otherwise in violation of this Ordinance shall extinguish such outdoor fire immediately upon the request of the enforcement officer, a police officer, or any member of a volunteer fire company which has been called to the property. Failure to

extinguish such outdoor fire upon such a request is a violation of this Ordinance. If no person is on such property or if such person refuses to or cannot otherwise extinguish the fire upon request of the enforcement officer, police officer, or a fire fighter, such enforcement officer, police officer or fire fighter may take all appropriate action to extinguish the fire.

Section 8. Special Circumstances. In the event that it is necessary to have an uncontained fire of a size and/or at a time other than permitted under this Ordinance, the landowner must obtain special permission in advance from the enforcement officer and the Fire Chief (or his designee) of the volunteer fire company providing service to the area in which a property is located.

Section 9. Enforcement. The enforcement officer and any police officer shall have the power to enforce any provisions of this Ordinance. The Board of Supervisors specifically authorizes the enforcement officer to issue citations to enforce this Ordinance.

Section 10. Violations and Penalties.

- A. Any person who violates any provisions of this Ordinance, upon conviction thereof by summary proceedings, shall be sentenced to pay a fine of not less than \$50 nor more than \$1,000 plus costs of prosecution for the first such conviction and no less than \$100 nor more than \$1,000 plus costs of prosecution for the second or subsequent violation.
- B. No penalty herein shall prevent the Township from enforcing this Ordinance by equitable, injunctive and other remedies.

Section 11. Liability. The township and its agents, officials and representatives shall not, under any circumstances, be liable or responsible for damages caused to any person or property by reason of the provisions of this Ordinance or by reason of the conduct of any burning activity in compliance with the terms and provisions of this Ordinance. The individual person responsible for any such fire shall bear sole liability for any damages caused as a result thereof.

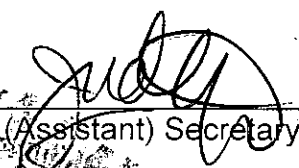

Section 12. Severability. In the event any provision, section, sentence, clause or part of this Ordinance shall be held to be invalid, illegal or unconstitutional by a court of competent jurisdiction, such invalidity, illegality or unconstitutionality shall not affect or impair the remaining provisions, sections, sentences, clauses or parts of this Ordinance, it being the intent of the Board of Supervisors that the remainder of the Ordinance shall be and shall remain in full force and effect.

Section 13. Effective Date. This Ordinance shall take effect and be in force five (5) days after its enactment by the Board of Supervisors of the Township of Strasburg as provided by law.
